AAMA has partnered with Capital Financial Bancorp, Inc. to offer you a new FREE Employee Homeownership Benefit Program. Each employee's financial situation is different, that is why our mortgage professionals offer a variety of benefits throughout the year – custom fit to every employee. Capital Financial Bancorp's Program is a work-life program that provides discounts on mortgages and other home finance products.

This Benefit Program can be tailored to the needs of your employees. Your employees will have direct access to Capital Financial Bancorp mortgage consultants and their network of Real Estate Professionals. Each of their trusted network providers offer tangible discounts on a variety of services. **The mortgage benefit gives back to you \$ 1.50 for every \$ 1000 you borrow. The savings is significant!** **The program also offers FREE seminars, workshops and up-to-the-minute information to help build loyalty, productivity and goodwill amongst your workforce.** This solution will provide additional voluntary benefits, which gives employees more choice and offsets the cost of overall benefits.
