COMPLIANCE TESTING

A Division of:
N77A

December 12, 2024

To Our Dear Friends and Members of the AAMA:

As an exclusive and AAMA-endorsed compliance testing laboratory, we at **eclipse Compliance Testing** are pleased to provide current members of AAMA with special pricing for our compliance testing. These special prices are a substantial savings from our standard testing rates.

As we rapidly approach our 25th year in business, serving the needs of regulatory agencies and manufacturers, we have diligently worked to develop and implement our testing methods and procedures to be the most efficient and accurate processes possible. We constantly strive to “continuously improve” what we do and ultimately pass on any savings we realize directly to our customers in terms of reduced testing time. While our current compliance testing prices are among the lowest in the industry, we are now offering current AAMA members discounted pricing for our compliance testing services.

Effective January 1, 2025, we will begin offering our discounted pricing to AAMA members. The table below outlines our standard hourly billing rate for compliance testing versus the new AAMA Member hourly rate:

Category	Standard Billing Hourly Rate	AAMA Member Hourly Rate
Standard Turnaround Time Compliance Testing Rate (30-45 days)	\$150.00	\$125.00
Expedited Compliance Testing Rate (10+ days, less than 30 days)	\$225.00	\$200.00
Super Expedited Compliance Testing Rate (5+ days, less than 10 days)	\$300.00	\$250.00
Extreme Expedited Compliance Testing Rate (Less than 5 days)	\$500.00	\$400.00

Report issuance fee = \$750.00 per report in addition to the hourly rate above.

Please note that expedited rates are only offered on modifications to previously tested products and are based upon resource availability to meet the expedited timeframe, on a case-by-case basis.

We look forward to working with AAMA Members by offering special prices. These prices will be in effect for 2025 and may be subject to change.

If you should have any questions or require any additional information, please feel free to contact our office.

Sincerely,

Nick Farley
